## Project Profile

<b>Project Title:-</b>	Online Auctioning System
<b>Objective:-</b>	An Online Auction is service in which auction users can sell or bid for antique products through the internet.
<b>Front End:-</b>	ASP. NET with C# (.Net framework 4.0)
<b>Back End:-</b>	MS SQL Server 2008
<b>Other Tool:-</b>	Crystal-Report 10.5
<b>Type of application:-</b>	Web-Application
<b>Internal Guide:-</b>	Miss. Deepika J Patel
<b>Developed by:-</b>	Khasetiya Kalpesh Joshi Nirav
<b>Time duration:-</b>	90 Days

## **Existing System**

- The existing Auction System for antique Item is managed manually.
- The user who want to sales there things or items by auction than he would announce for that through the media or other way.
- Bidders who need to buy there things than he attend the place of bidding.
- It covers only limited Area.
- Limited Bidders and Sellers.

## **Need for new system**

- The new site is Online Auctioning system is use in 'Anyone, Anytime, Anywhere'.
- The "Online Auctioning System" is online auction house so the Seller or Bidder doesn't need to go anywhere, they can take part in the auction just sitting in the comfort of their living room, be it during the day or night.
- This site also acts as an open form where buyers and sellers can come together and exchange their items.
- It covers Large No of Sellers and Bidders.

# **Functional Specification**

## **System Modules**

### **Login:**

Login Module include various utilities like User Registration, Authentication, Change Password and Forgot Password.

### **Category Management :**

This module provides all facilities to admin for managing the Category.

### **Package Management :**

This module provides all facilities to admin for managing the Package.

### **Search :**

Search Module Provides Category wise Search of items.

### **Auction :**

In This Module Seller can Upload their Products for Auction, Bidders can bid for the Products finally Admin decides the Winner based on Highest Bidding Price.

### **Report :**

Report Generation Module can generate reports of past Auctions, Sellers and Bidders.

## User Specification

### Three type of user

- 1> Admin
- 2>Seller
- 3>Bidder

#### **1> Admin**

- Admin can manage user and product.
- Admin can manage category.
- Admin can send the update to the seller and bidder.
- Admin can manage bidding.
- Admin can manage package.
- Admin can generate the whole system work report.

## To Conti.....

### **2> Seller**

- Seller can upload auction product.
- Seller can set the starting prize of the item.
- Seller can view the bid information for there items.
- Seller can bid for product.

### **3> Bidder**

- Bidder can also search the items.
- Bidder can buy package for auction.
- Bidder can view detail of product.
- Bidder can bid on particular product.
- Bidder can also modify the bidding prize.

# **Hardware & Software Requirements (Minimum)**

## **Hardware Requirements (Minimum)**

### **Server side:-**

Processor :-	2.20 GHz
RAM :-	2GB
Hard disk :-	10 GB Free Space

### **Client side:-**

Processor :-	2.0 GHz
RAM :-	1GB
Hard disk :-	4 GB Free Space

## **Software Requirements (Minimum)**

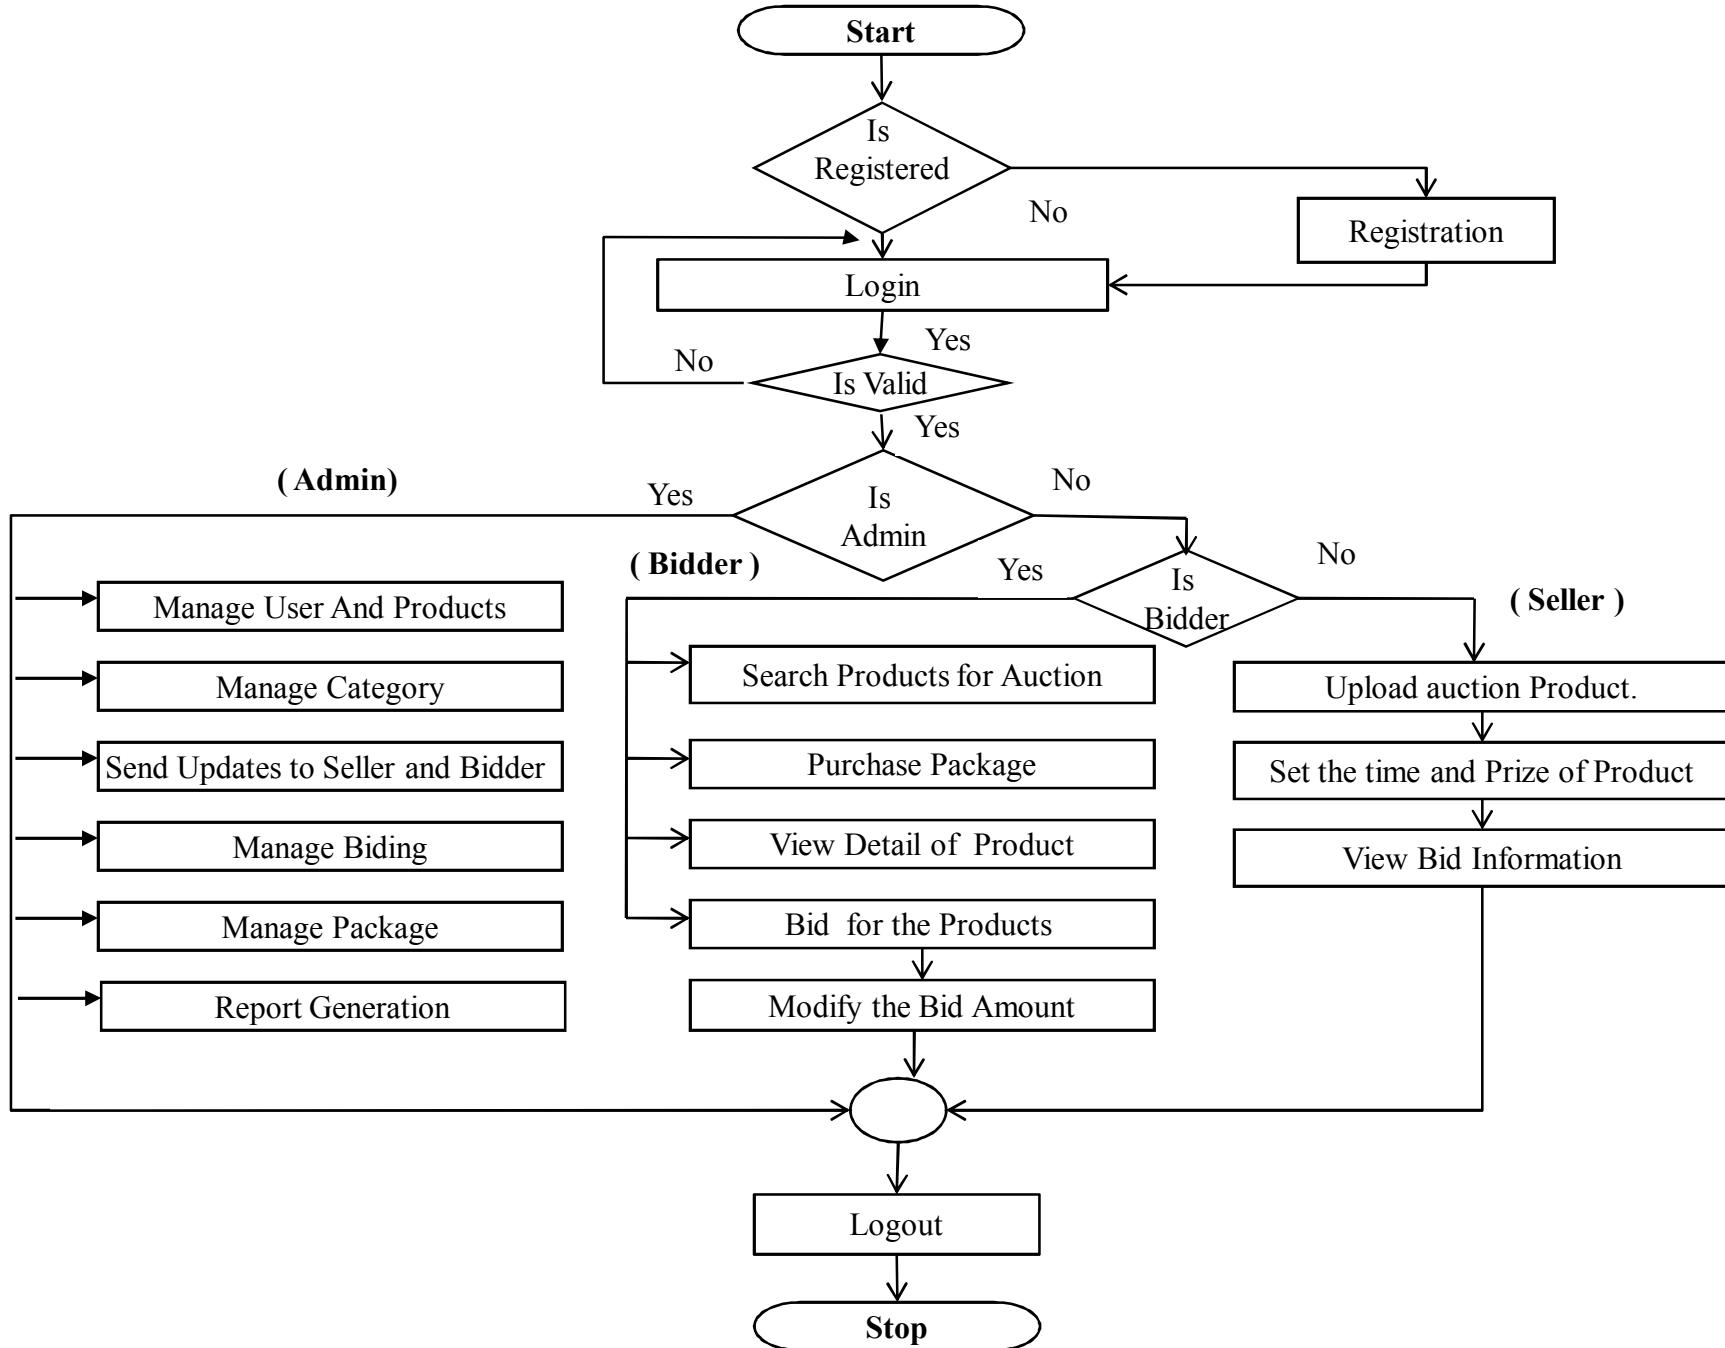

### **Server side:-**

Operating system :-	Windows server 2003 or any compatible server OS
Framework :-	.Net framework 4.0
Web Server :-	IIS 6.0
Front End:-	ASP. NET with C# (.NET framework 4.0)
Back End :-	SQL server 2008

### **Client side:-**

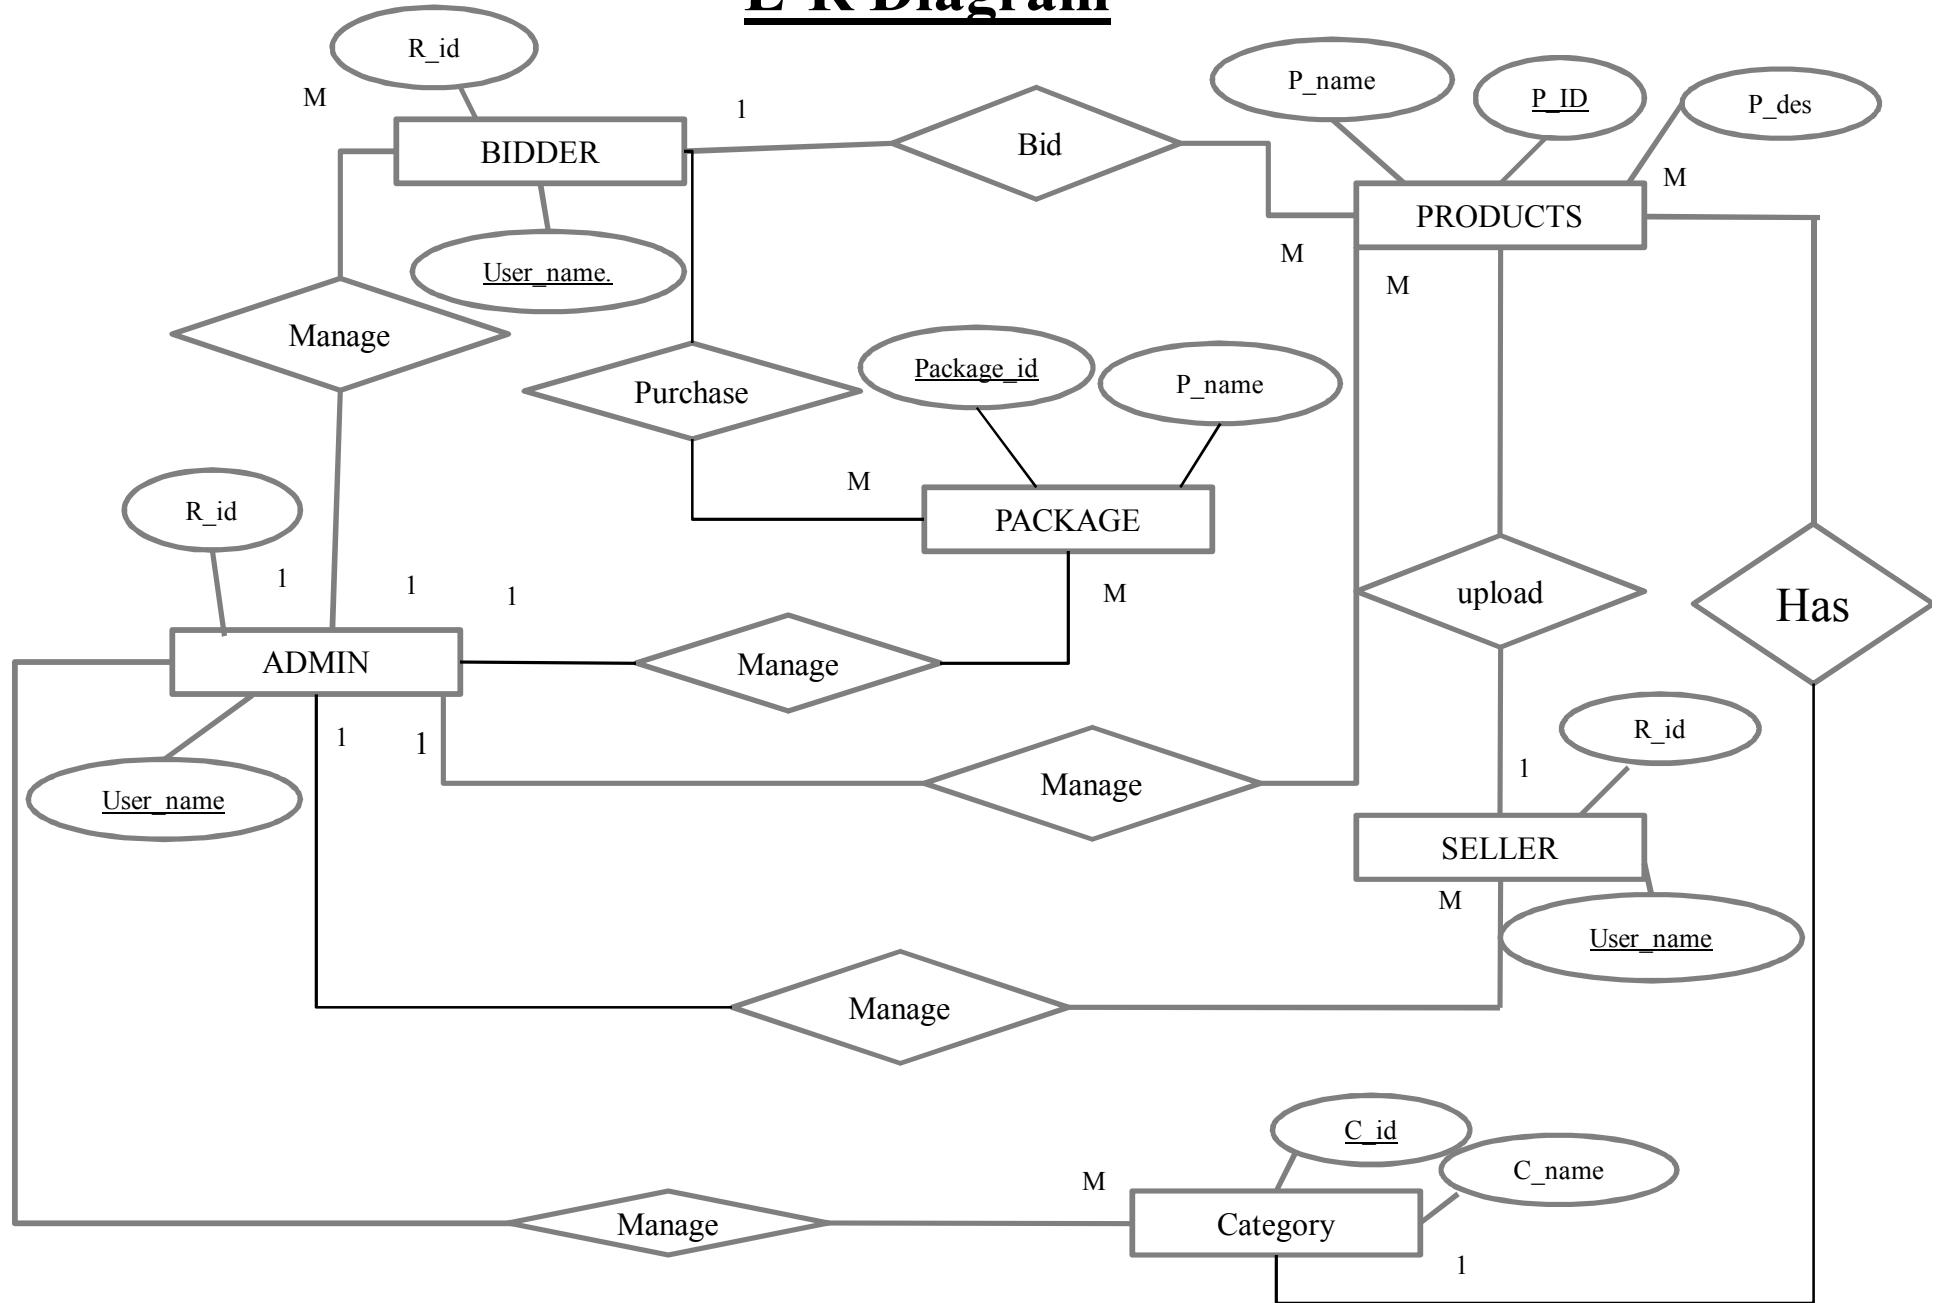

Operating system :-	Windows XP or any compatible OS
Browser :-	Internet Explorer 6.0 or any compatible

## Data Dictionary

Table Name: User\_Master

Primary Key :Username

Description : It Store users Detail.

Sr. No	Column Name	Data Type	Size	Constraint	Description
1	Username	Nvarchar	25	Primary key	It is reference to the Login table.
2	FirstName	Nvarchar	25	Not Null	It stores users First name.
3	LastName	Nvarchar	25	Not Null	It stores users Last name.
4	Gender	Nvarchar	6	Not Null	Checks whether the user is Male or Female
5	Address	Nvarchar	100	Not Null	It stores users Address.
6	Country	Nvarchar	20	Foreign key	It reference to Country Table.
7	State	Nvarchar	20	Foreign key	It reference to State Table.
8	City	Nvarchar	20	Foreign key	It reference to City Table.
9	E-Mail	Nvarchar	25	Not Null	It stores users E-mail Id.
10	Contact	Numeric	10	Not Null	It stores users Contact No.
11	Photo	Nvarchar	100	Not Null	It stores users Personal Photo.
12	Password	Nvarchar	25	Not Null	It stores users Password.
13	Type	Nvarchar	7	Not Null	Checks whether the user is Admin or not

Table Name: Category\_Master

Primary Key : Cat\_id

Foreign Key :

Description : It Store Category Detail.

Sr. No	Column Name	Data Type	Size	Constraint	Description
1	Cat_id	Int	-	Primary key	It store Unique Category id
2	CatName	Nvarchar	30	Not Null	It stores Category Name

Table Name : Country\_Master

Primary Key: Country\_id

Foreign Key :

Description : It Store Country Detail.

Sr. No	Column Name	Data Type	Size	Constraint	Description
1	Country_id	Int	-	Primary key	It stores Country id
2	CountryName	Nvarchar	20	Not Null	It stores Country Name

Table Name : State\_Master  
 Primary Key: State\_id  
 Foreign Key : Country\_id  
 Description : It Store State Detail.

Sr. No	Column Name	Data Type	Size	Constraint	Description
1	State_id	Int	-	Primary key	It stores State id
2	Country_id	Int	-	Foreign key	It reference to Country Table.
3	StateName	Nvarchar	20	Not Null	It stores State Name

Table Name : City\_Master  
 Primary Key: City\_id  
 Foreign Key : State\_id  
 Description : It Store City Detail.

Sr. No	Column Name	Data Type	Size	Constraint	Description
1	City_id	Int	-	Primary key	It store City id.
2	State_id	Int	-	Foreign key	It reference to State Table.
3	CityName	Nvarchar	20	Not Null	It stores City Name.

Table Name: Product\_Master

Primary Key : Product\_id

Foreign Key : Cat\_id , Username

Description : It Store seller and bidder Can upload product and Detail.

Sr. No	Column Name	Data Type	Size	Constraint	Description
1	Product_id	Int	-	Primary key	It stores Products Id.
2	Cat_id	Int	-	Foreign key	It reference to Category Table.
3	Username	Nvarchar	25	Foreign key	It reference to User_Master table.
4	ProductName	Nvarchar	20	Not Null	It stores Products Name.
5	Description	Nvarchar	100	Not Null	It stores Products description.
6	Min_Bid_Price	Numeric	(10,2)	Not Null	It stores Minimum bid price for Products.
7	Status	Bit	-	Not Null	Checks whether Bid on Product is Open or Close('1'-Open,'0'-Close).
8	Photo	Nvarchar	50	Not Null	It stores Photo of the Products.
9	StartDate	Datetime	-	Not Null	Starting Bid Date for Products.
10	EndDate	Datetime	-	Not Null	Ending Bid Date for Products.

Table Name: Bid\_Master

Primary Key : Bid\_id

Foreign Key : Product\_id , Username

Description : It Store Bidding Detail.

Sr. No	Column Name	Data Type	Size	Constraint	Description
1	Bid_id	Int	-	Primary key	It stores Id of Bidding.
2	Product_id	Int	-	Foreign key	Id of the Products(Product Master).
3	Username	Nvarchar	25	Foreign key	It reference to User_master table.
4	Bid_Date	Datetime	-	Not Null	It stores the Date of Bidding.
5	Bid_Price	Numeric	(10,2)	Not Null	It stores the Bid price of Products.

Table Name : Bidconfirm\_Master.

Primary Key : Confirm\_Bid\_id

Foreign Key : Username, bid\_id

Description : It store the Bid Confirmation Details

Sr. No	Column Name	DataType	Size	Constraint	Description
1	Confirm_Bid_id	Int	-	Primary Key	It stores users bid confirmation id.
2	Username	Nvarchar	25	Foreign Key	It reference to Users_Master.
3	Bid_id	Int	-	Foreign Key	It reference to Bid table.

Table Name : Package\_Master  
 Primary Key: Package\_id  
 Foreign Key : Username  
 Description : It Store Package Detail.

Sr. No	Column Name	Data Type	Size	Constraint	Description
1	Package_id	Int	-	Primary key	It stores Package id
2	P_Name	Nvarchar	25	Not Null	It store Package name.
3	P_Pize	Numeric	(10,2)	Not Null	It stores Package Prize.
4	Photo	Nvarchar	50	Not Null	It stores the Package photo.

Table Name : Package\_User\_Master  
 Primary Key: P\_U\_id  
 Foreign Key : Username  
 Description : It Store Package Detail.

Sr. No	Column Name	Data Type	Size	Constraint	Description
1	P_U_id	Int	-	Primary key	It stores Package id
2	Username	Nvarchar	25	Foreign key	It reference to User_Master.
3	Total_Package_bid	Numeric	10	Not Null	It stores Total Package.

Table Name : User\_Package\_Master

Primary Key: user\_package\_id

Foreign Key : Username, Package\_id

Description : It Store user package detail.

Sr. No	Column Name	Data Type	Size	Constraint	Description
1	User_package_id	Int	-	Primary key	It stores user Package id
2	Username	Nvarchar	25	Foreign key	It reference to User_Master.
3	Package_id	Int		Foreign key	It reference to Package_Master

Table Name : News\_Master

Primary Key: News\_id

Foreign Key :

Description : It Store News Detail.

Sr. No	Column Name	Data Type	Size	Constraint	Description
1	News_id	Int	-	Primary key	It stores News id
2	News_name	Nvarchar	MAX	Not Null	It stores news.

Table Name : feedback\_Master

Primary Key: News\_id

Foreign Key :

Description : It Store News Detail.

Sr. No	Column Name	Data Type	Size	Constraint	Description
1	F_id	Int	-	Primary key	It stores Feedback id
2	Firstname	Varchar	15	Not Null	It stores firstname.
3	Email	Nvarchar	25	Not Null	It stores email.
4	Contact	Numeric	10	Not Null	It stores contact
5	Subject	Varchar	50	Not Null	It stores subject.
6	Msg	Nvarchar	MAX	Not Null	It stores Message.

## Home Page:

This Home Page is open When Customer can Open the Site.

The screenshot shows a web browser window titled "my project" with the URL "localhost:1081/MyProject - Copy (2)/Home.aspx". The page has a red header bar with the title "Online Auction" and navigation links: "Home" (circled in red), "Registration", "About us", "Feedback", and "Login". The main content area features a banner with the text "Wel Come To Auction Website" and a large image of a laptop screen displaying a dark, abstract design. Below the banner, there is a paragraph of text: "Wel come to my website . my website can auction for Antique Items. You can interested in the you can register now." Further down, another paragraph reads: "my site can very useful for the people. In our website You can easily Auction that your Items. My site can only Auction for the Antique Items." A third paragraph states: "My web site is very Famous. In my web site there are only 5 Category Items Auction it." At the bottom of the page is a photo of a hand holding a pen over a document. The browser's status bar at the bottom shows the same URL and the date and time "5:34 PM 12-Nov-14".

## Registration Form:

This page is used to customer can Registration here. But customer not enter data so error will be occur.

The screenshot shows a web browser window for an "Online Auction" application. The URL is [localhost:1081/MyProject - Copy \(2\)/reg.aspx](http://localhost:1081/MyProject - Copy (2)/reg.aspx). The top navigation bar includes links for Home, **Registration**, About us, Feedback, and Login. The "Registration" link is highlighted with a red oval. The main content area is titled "Create a New Account" and contains a form for account creation. The form fields and their validation errors are:

- Frist name:** [Empty] first name must be enter
- Last Name:** [Empty] Last name name must be enter
- Gender:** Male [Empty] Female Address Must be Enter
- Address:** [Empty]
- Country:** India User name must be enter
- State:** Gujarat Password must be enter
- City:** Ahmedabad
- User Name:** [Empty] Check username
- Password:** [Empty]
- Confirm password:** [Empty]
- Email:** [Empty] Email Must be Enter
- Contact no:** [Empty] Number must be enter
- Photo:**  No file selected. Photo is require

The "Submit" button at the bottom of the form is also highlighted with a red oval.

## Registration Form:

This page is used to customer can Registration here.

The screenshot shows a web browser window titled "my project" displaying a registration page for an "Online Auction" website. The URL in the address bar is "localhost:1081/MyProject - Copy (2)/reg.aspx".

The page has a red header bar with the title "Online Auction" and navigation links: Home, Registration (which is highlighted with a black oval), About us, Feedback, and Login.

The main content area is titled "Create a New Account" and contains a form for account creation. The form fields include:

- First name: Nirav
- Last Name: Joshi
- Gender: Male (radio button selected)
- Address: Vrudavan Society
- Country: India
- State: Gujurat
- City: Maheshana
- User Name: Nirav (with validation message: "Check username valid")
- Password: (obscured)
- Confirm password: (obscured)
- Email: Poonam871995@gmail.com
- Contact no: 8776863376
- Photo: (Browse button) No file selected.

The "Submit" button is highlighted with a black oval, and a success message "You Are Successfully Register" is displayed below it.

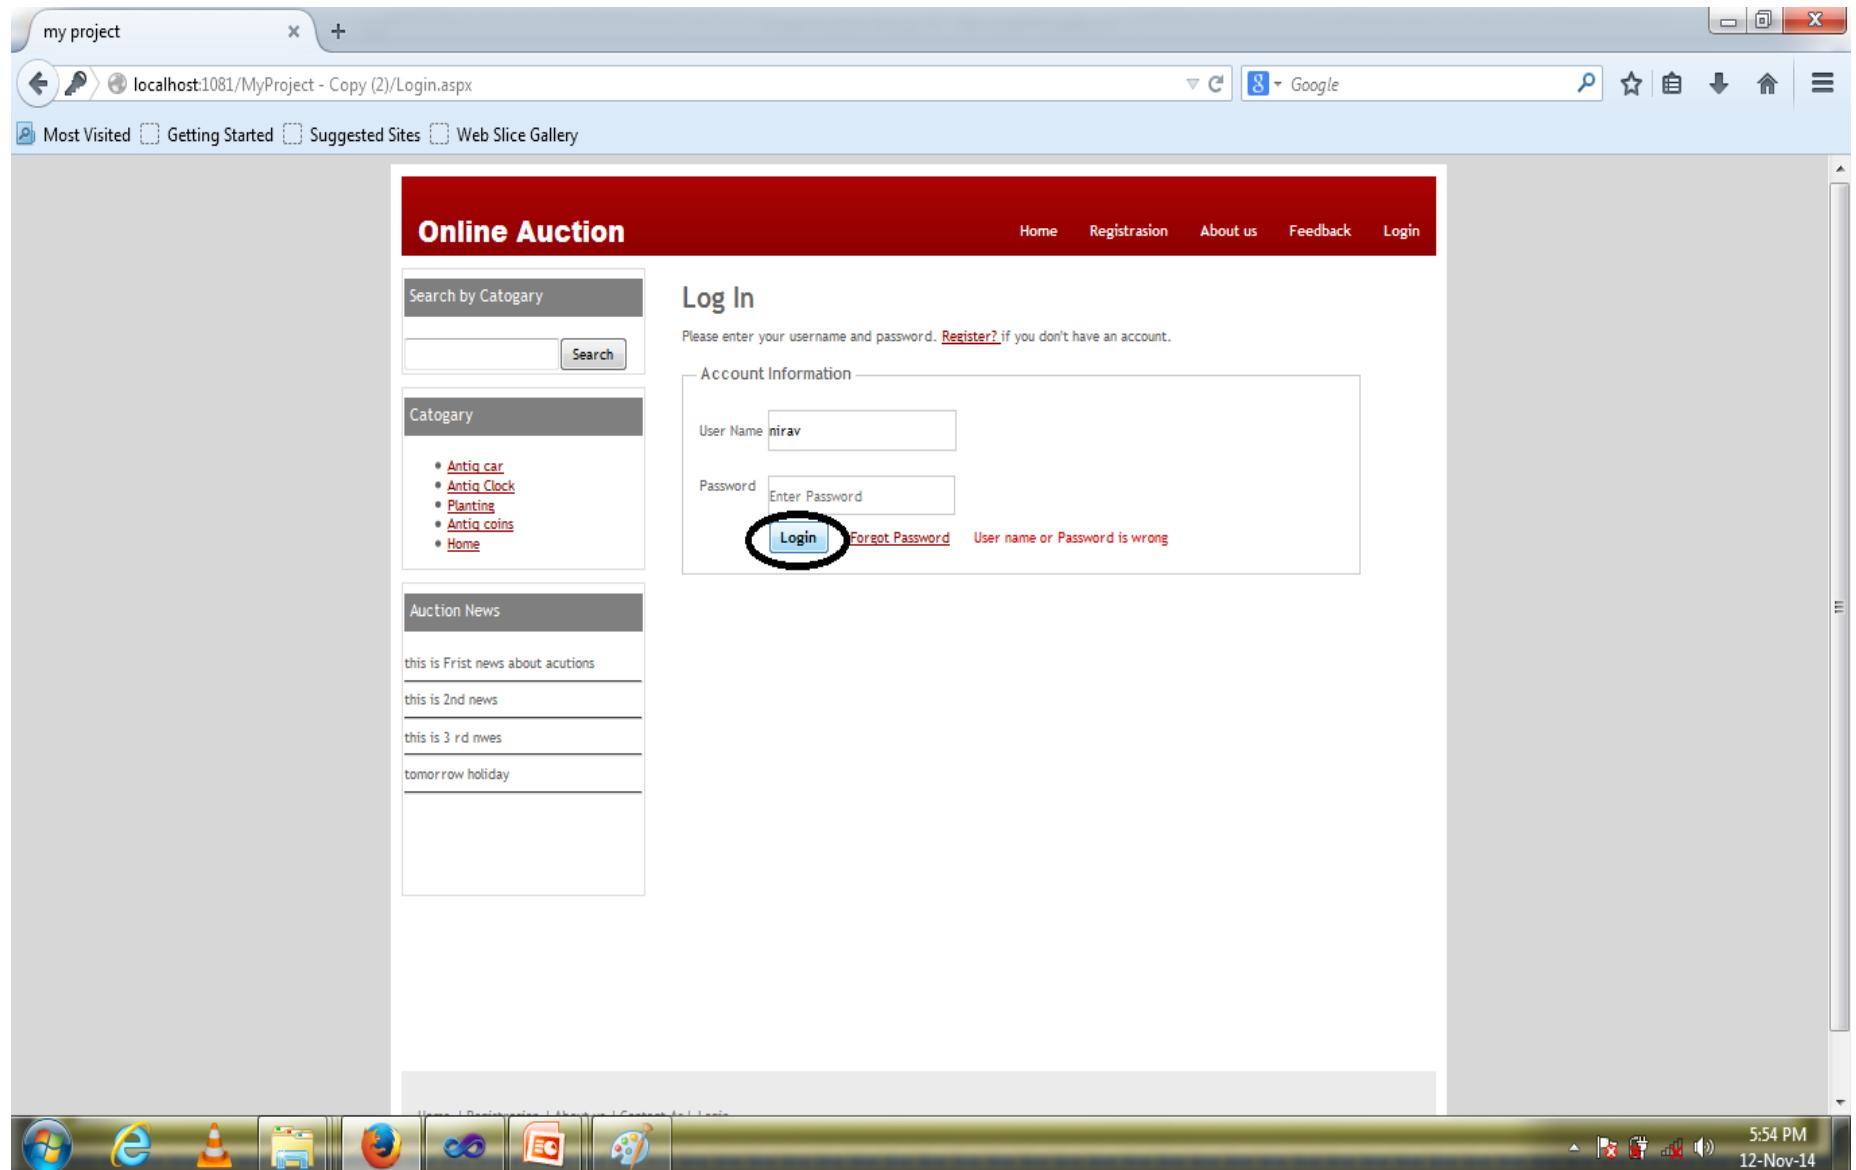

## Login Page:

The login page for user can not enter username and password validation will be occur.

The screenshot shows a web browser window displaying an 'Online Auction' website. The URL in the address bar is 'localhost:1081/MyProject - Copy (2)/Login.aspx'. The page has a red header bar with the title 'Online Auction' and navigation links for Home, Registration, About us, Feedback, and Login. The 'Login' link is circled in red. Below the header is a 'Log In' section with instructions: 'Please enter your username and password. [Register?](#) if you don't have an account.' It lists two validation errors: 'User Name is required.' and 'Password is required.' The 'Account Information' form contains fields for 'User Name' (labeled 'Enter Username') and 'Password' (labeled 'Enter Password'), both marked with a red asterisk (\*) indicating they are required. The 'Login' button is also circled in red. To the left of the login form is a sidebar with sections for 'Search by Categary' (with a 'Search' button), 'Categary' (listing 'Antiq car', 'Antiq Clock', 'Planting', 'Antiq coins', and 'Home'), and 'Auction News' (listing 'this is 1 st news about acutions', 'this is 2 nd news', 'this is 3 rd nwes', and 'tomorrow holiday'). The status bar at the bottom of the browser shows the same URL and the date and time '5:53 PM 12-Nov-14'.

## Login Page:

The login page for user can wrong enter username and password  
error will be occur.

## Bid On Item:

This page for user can Bid On the Particular Item.

Screenshot of a web browser showing the "Online Auction" application. The URL in the address bar is "localhost:1081/MyProject - Copy (2)/detail\_cust.aspx?pro\_id=11".

The page title is "Bid On Item". The main content area displays a vintage car with the following details:

- Car**
- Description: old car
- Minimum Bidding Price : **500000**

The current highest bid is listed as **HEIGHEST BID: 650000**. A bid amount of **650001** has been entered in the input field, and the **Bid** button is highlighted with a black oval. A message below the button states **Your bid is Successfully done**.

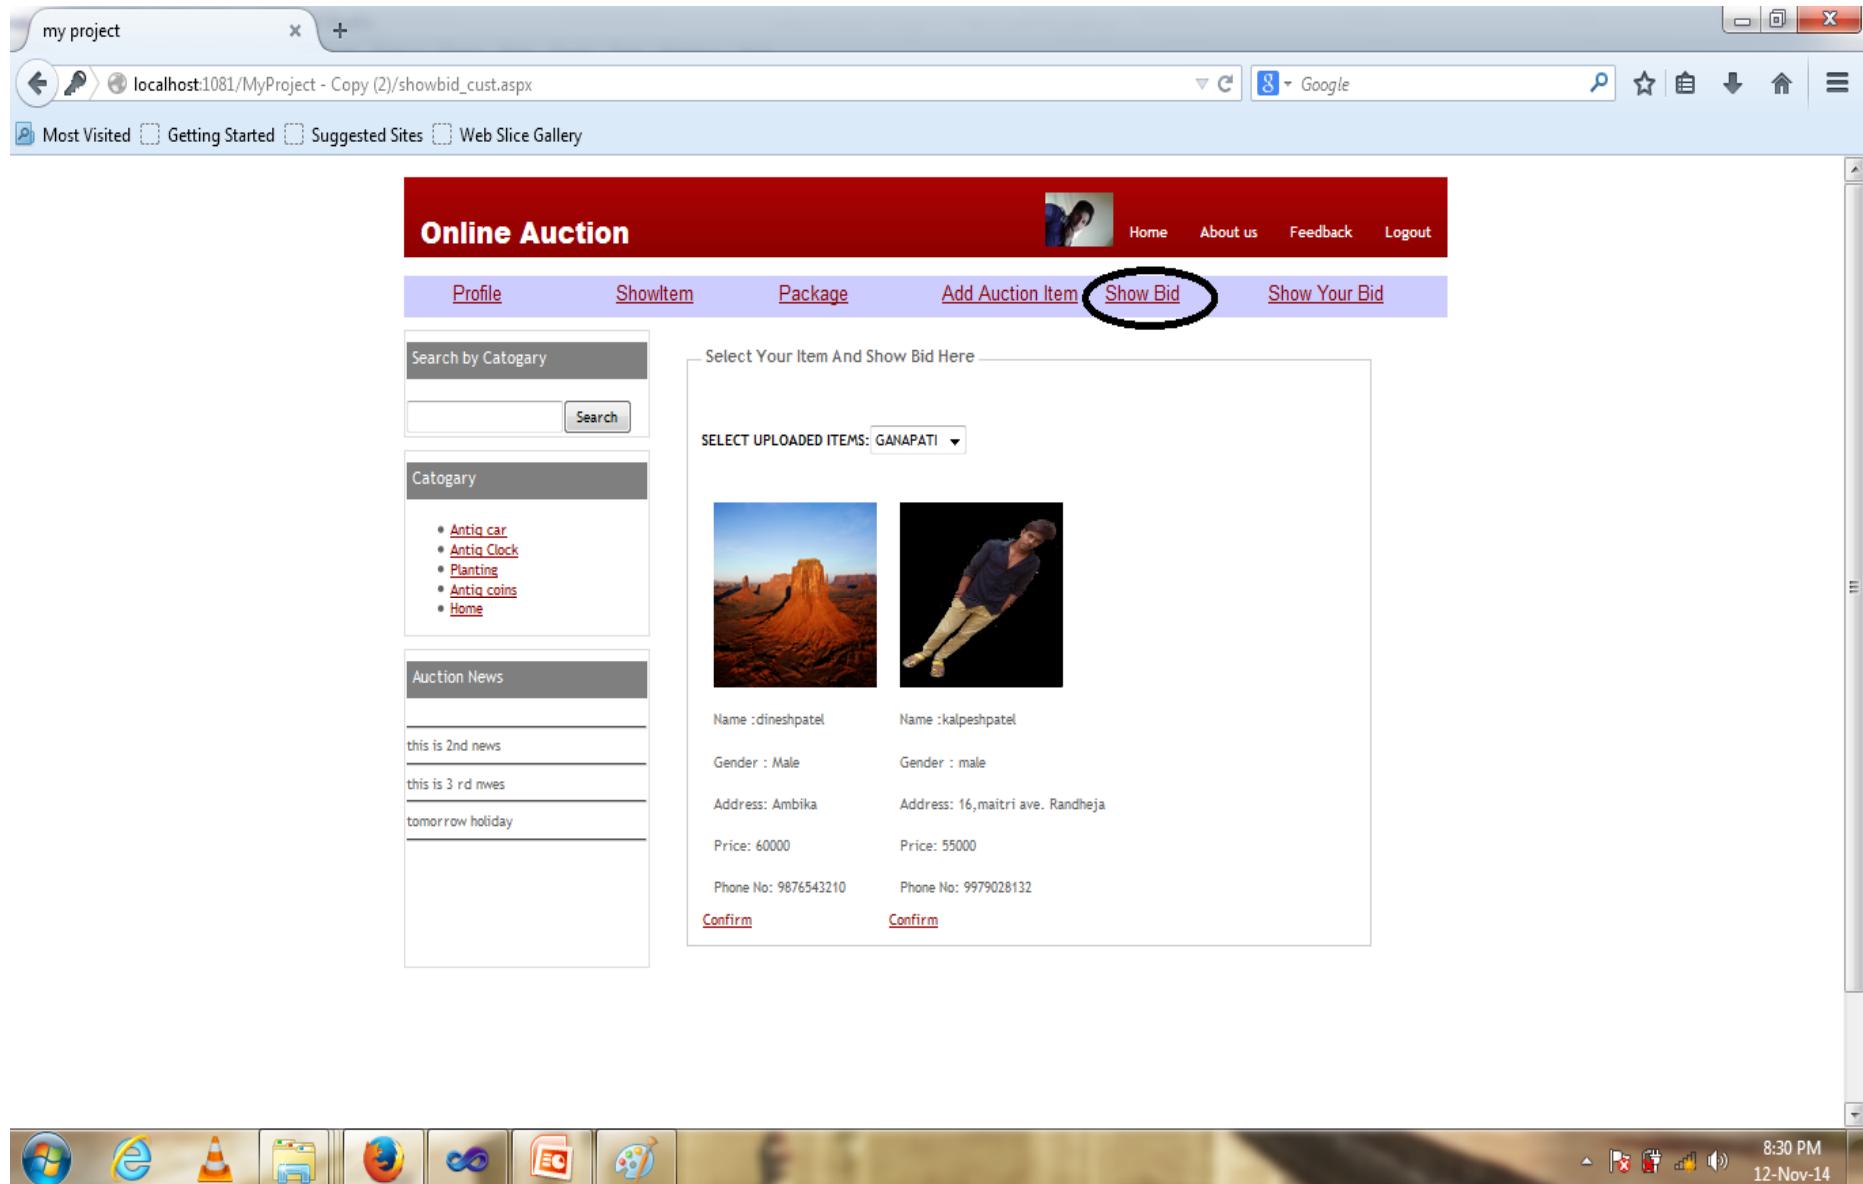

The left sidebar contains three panels:

- Search by Category**: An input field and a **Search** button.
- Category**: A list of links:
  - [Antiq car](#)
  - [Antiq Clock](#)
  - [Planting](#)
  - [Antiq coins](#)
  - [Home](#)
- Auction News**: A list of news items:
  - this is 2nd news
  - this is 3 rd news
  - tomorrow holiday

The bottom taskbar shows various system icons and the system tray indicates the date and time as 12-Nov-14 at 9:18 PM.

## **Select Item and show Bid:**

This page for user can show which person can bid on his auction item.

The screenshot shows a web browser window titled "my project" displaying the "localhost:1081/MyProject - Copy (2)/showbid\_cust.aspx" page. The page has a red header bar with the title "Online Auction". Below the header is a navigation menu with links: Profile, ShowItem, Package, Add Auction Item, Show Bid (which is circled in red), and Show Your Bid. On the left side, there is a sidebar with sections for "Search by Catogary" (with a search button) and "Catogary" (listing items like Antiq car, Antiq Clock, Planting, Antiq coins, and Home). Another sidebar section is "Auction News" (listing news items: this is 2nd news, this is 3 rd nwes, tomorrow holiday). The main content area is titled "Select Your Item And Show Bid Here" and contains a dropdown menu "SELECT UPLOADED ITEMS: GANPATI". It displays two images: a landscape photo of a rock formation and a photo of a person. Below each image are details: Name (dineshpatel/kalpeshpatel), Gender (Male/male), Address (Ambika/16,maitri ave. Randheja), Price (60000/55000), and Phone No (9876543210/9979028132). At the bottom of the main content area are two "Confirm" buttons.

## **Show Your Bid:**

This page for user can show how many bid on particular the auction item

The screenshot shows a web browser window titled "my project" displaying the URL "localhost:1081/MyProject - Copy (2)/Show\_yourbid\_cust.aspx". The page has a red header bar with the title "Online Auction" and a profile picture. Below the header is a navigation menu with links: Profile, ShowItem, Package, Add Auction Item, Show Bid, and Show Your Bid (which is circled in red). On the left, there's a sidebar with a search bar for categories and a list of categories including "Antiq car", "Antiq Clock", "Planting", "Antiq coins", and "Home". Another sidebar contains "Auction News" with entries like "this is 2nd news", "this is 3 rd nwes", and "tomorrow holiday". The main content area is titled "Your Bidding For Items Here" and displays a table of auction items. The first item is a "Car" with a minimum bid of 500000 and a current bid of 600000. The second item is a "coin" with a minimum bid of 60000 and a current bid of 60500. Both items have "Update Price" buttons, with the one for the coin circled in black. Below the table are buttons for "Remove Bid", "Change Your Bid Price" (with a text input field), and "Update".

Action	Product Name	Product Description	Minimum Bid Prize	Bid Prize	Bid Date	Photo
Update Price	Car	old car	500000	600000	09-Nov-14 12:00:00 AM	
Update Price	coin	plant	60000	60500	09-Nov-14 12:00:00 AM	

## Update Your Bid:

This page for user can update your bid on particular the auction item

The screenshot shows a web browser window titled "my project" displaying the "Show\_yourbid\_cust.aspx" page of an "Online Auction" application. The URL in the address bar is "localhost:1081/MyProject - Copy (2)/Show\_yourbid\_cust.aspx". The page has a red header with the title "Online Auction" and a user profile picture. Below the header is a navigation menu with links: Profile, ShowItem, Package, Add Auction Item, Show Bid, and Show Your Bid. The "Show Your Bid" link is underlined and highlighted in blue.

The main content area is titled "Your Bidding For Items Here" and contains a table listing two items:

Action	Product Name	Product Description	Minimum Bid Price	Bid Price	Bid Date	Photo
<a href="#">Update Price</a>	Car	old car	500000	600000	09-Nov-14 12:00:00 AM	
<a href="#">Update Price</a>	coin	plant	60000	60700	09-Nov-14 12:00:00 AM	

Below the table, there is a "Remove Bid" button and a form to "Change Your Bid Price" with a value of "60700". A message "price is sucessfully change" is displayed in red. The "Update" button in this form is circled with a black oval.

The left sidebar contains two sections: "Search by Catogary" with a search input and "Catogary" listing items like "Antiq car", "Antiq Clock", "Planting", "Antiq coins", and "Home". Another section "Auction News" lists "this is 2nd news", "this is 3 rd nwes", and "tomorrow holiday".

The bottom taskbar shows various system icons and the date/time "8:33 PM 12-Nov-14".

## Contact Us :

This page for user have Any Query to Contact to the Company.

The screenshot shows a web browser window titled "my project" with the URL "localhost:1415/MyProject/con\_us\_cust.aspx". The page has a red header bar with the title "Online Auction" and navigation links: Home, About us, Feedback, and Logout. Below the header is a purple menu bar with links: Profile, ShowItem, Package, Add Auction Item, Show Bid, and Show Your Bid. On the left, there's a sidebar with a "Search by Catogary" input field and a "Catogary" section containing links to "Antig car", "Antig Clock", "Planting", "Antig coins", and "Home". Another sidebar below it displays "Auction News" with entries like "this is 1rst news about acutions", "this is 2nd news", "this is 3 rd nwes", and "tomorrow holiday". The main content area is titled "Feedback Here" and contains form fields for First name (nirav), Email (niravj88@gmail.com), Contact (7383887633), Subject (happy), and a large message area containing "nice site". A "Submit" button is present, and a red message "your message is send" is displayed next to it. The status bar at the bottom shows system icons and the time "9:47 PM 09-Nov-14".

## Forgot password:

<input type="checkbox"/>	Bharat	bharat	Male	9876543210	smn	1	
<input type="checkbox"/>	dinesh	dinesh	Male	9876543210	Ambika	1	
<input type="checkbox"/>	kalpesh	kalpesh	male	9979028132	16,maitri ave. Randheja	2	
<input type="checkbox"/>	kk	Nirav	Male	8776863376	Vrudavan Society	5	

The bottom status bar shows system icons and the date/time: "9:51 PM 12-Nov-14".

## Manage Package Page(Admin):

Admin can add and Manage Package Using this Page.

The screenshot shows a web browser window titled "my project" displaying the "Package\_Manage.aspx" page of an "Online Auction" application. The URL in the address bar is "localhost:1081/MyProject - Copy (2)/Package\_Manage.aspx". The page has a red header bar with the title "Online Auction" and links for "Home", "Feedback", and "Logout". Below the header is a purple navigation bar with links: "Manage User", "Manage Category", "Manage Product", "Manage Bidding", "Manage Package" (which is circled in black), and "Report".  
  
The main content area is divided into two sections:

- Add Package Information:** A form where a user has entered "10 Ruppes in 1 bid" for the package name and "10" for the package prize. A file named "10.jpg" is selected for the photo, and the "Add Package" button is highlighted with a black oval.
- Manage Package Information:** A table showing four existing packages. Each row includes edit, delete, and select links, along with the package name, price, and a thumbnail image.

Manipulation	Package Name	Package Prize	Photo
Edit Delete Select	100 Ruppes in 12 bid	100	
Edit Delete Select	50 Ruppes in 6 bid	50	
Edit Delete Select	20 Ruppes in 2 bid	20	
Edit Delete Select	10 Ruppes in 1 bid	10	

  
On the left side of the main content area, there are three sidebar boxes:

- Search by Category:** A search input field with a "Search" button.
- Category:** A list of categories including "Antiq car", "Antiq Clock", "Planting", "Antiq coins", and "Home".
- Auction News:** A news feed with entries like "tomorrow holiday" and "You want add item so pay coplsry.". It includes a "Manage News" button.

  
At the bottom of the page is a taskbar with various icons, and the system status bar shows the time as "9:57 PM" and the date as "12-Nov-14".

## **Manage User Package:**

Admin can manage user package in this page.

Screenshot of a web browser showing the "Manage User Package" page of an "Online Auction" application.

The browser title bar reads "my project" and the address bar shows "localhost:1081/MyProject - Copy (2)/manage\_user\_Package.aspx".

The main content area has a red header bar with the text "Online Auction" and links for "Home", "Feedback", and "Logout". Below this is a purple navigation bar with links for "Manage User", "Manage Category", "Manage Product", "Manage Bidding", "Manage Package", and "Report".

The central part of the page is titled "Manage User Package". It displays a table of user packages:

Package Name	PackagePrize	User Package id	Package Id	Username	Photo
Select 50 Ruppes in 6 bid	50	1	2	manesh	
Select 20 Ruppes in 2 bid	20	2	3	manesh	
Select 10 Ruppes in 1 bid	10	3	7	manesh	
Select 50 Ruppes in 6 bid	50	4	2	dinesh	

On the left side, there are two sidebar panels:

- Search by Categori**: A search input field with a "Search" button.
- Categori**: A list of categories:
  - [Antiq car](#)
  - [Antiq Clock](#)
  - [Planting](#)
  - [Antiq coins](#)
  - [Home](#)
- Auction News**: A list of news items:
  - this is 2nd news
  - this is 3 rd nwes
  - tomorrow holiday
  - You want add item so pay coplsry.
- Manage News**: A link to manage news.

The bottom of the screen shows the Windows taskbar with icons for various applications and the system tray indicating the date and time as "11:19 PM 12-Nov-14".

## **Manage Bid Page And Confirm the bid(Admin):**

Admin can Manage Bid and conform bidding for Using this Page.

Screenshot of a web browser showing the "Online Auction" application. The URL is [localhost:1081/MyProject - Copy \(2\)/man\\_bid.aspx](http://localhost:1081/MyProject - Copy (2)/man_bid.aspx). The page title is "Online Auction". The navigation menu includes "Manage User", "Manage Category", "Manage Product", "Manage Bidding" (which is highlighted with a red oval), "Manage Package", and "Report". The main content area displays "Manage Bid Information" with a table showing four entries:

Action	Username	Bid Prize	Product Name	Minimum Bid Prize	Bid Date	Photo
<input type="checkbox"/>	kalpesh	100	Clock	10000	09-Nov-14 12:00:00 AM	
<input type="checkbox"/>	dinesh	650000	Car	500000	12-Nov-14 12:00:00 AM	
<input type="checkbox"/>	nirav	600000	Car	500000	09-Nov-14 12:00:00 AM	
<input type="checkbox"/>	nirav	60700	coin	60000	09-Nov-14 12:00:00 AM	

Below the table is a "Delete" button. At the bottom of the page is a "Confirm Bid Information" section. ## Testing

No	Test Cases	Case Type	Expected Result	Actual Result	Pass/Fail
1	Login	Wrong Username and Password	The System throws an error and prevent from login	The System display a message like "wrong Username and Password"	Fail
		Enter correct Username and Password	The system can redirect the page.	The system display homepage for user/admin.	Pass
2	Registration	Required Field Validation	Mandatory Fields should not be blank	You have to enter some Value into mandatory fields	Pass
		Required Field Validation	Mandatory Fields should be blank	You have blank enter some Value into mandatory fields	Fail
3	Bid On Item	Required Field Validation	Mandatory Fields should not be blank	You have to enter Bid-amount into mandatory fields	Pass
		Required Field Validation	Mandatory Fields should be blank	You have blank enter some Value into mandatory fields	Fail
4	Add Item	Required Field Validation	Mandatory Fields should not be blank	You have to enter some Value into mandatory fields	Pass
		Required Field Validation	Mandatory Fields should be blank	You have blank enter some Value into mandatory fields	Fail

## **Post Implementation Review**

- Improve the Performance of this website because at this time it will take time to load only First page in Web Browser.
- More Functionality to be add that make this website to more user Friendly.
- Post implementation review is conducted by Users and Analyst.
- To determine whether the system has met its objective, that is analysts, want to know if the performance level of Users has improved. If nothing is happening, one may question whether the system can be considered successful.

### **Future Enhancement:**

- In Future We will browse many category for auction.
- In Future we create a mobile application for auction & shopping which is used in Mobile, Tablet and another Technology Devices.
- Better Customer services like Online Payment facility.

## **Bibliography:**

At the process time of making this project I have take reference of some outsider sources which we want to mansion here.
